Talk to our specialist team. They'll find the perfect dispensing solution to make your brand a winner!

Mixor MP/HP

The ultimate trigger sprayer, featuring the patented Mixor engine for peak performance. This high output trigger is available with CR & standard neck.

Mixor Remote

This remote trigger sprayer offers comfort and performance with easy actuation.

BOS 2

Battery-operated actuation that significantly reduces finger and hand fatigue. Suited for wide coverage applications.

BOS 2 Remote

Battery-operated actuation that significantly reduces finger and hand fatigue. Plugs into larger bulk containers.

MAXI

A professional high-performance trigger sprayer with a very high output of 2.2 ml per stroke. Designed for constant use over a long period.

Vela

A versatile, robust, all-purpose trigger sprayer with textured surface to help grip with wet or gloved hands.

SP05

An all plastic trigger sprayer designed for broader compatibility and performance with different chemical formulas.

TS800 Ergo

Proven reliability, and excellent aesthetics. The TS800 has more than 30 spray-stream-foam nozzle configurations.

Hose End

Economical choice for a variety of formulas. Ideal for lawn and garden applications.

Aerohead

Aerohead aerosol sprayer is ergonomic and easy to actuate. Works well with non-foaming applications in the home like paint, insect sprays, window cleaners and air care.
